### **Monitoring Officer Comments:**

**No comments to add to the report**

### **Deputy S151 Officer Comments:**

The costs of this consultation and proposed implementation can be met from within the existing revenue consultation budget.

### **Implications:**

Without appropriate measures, inappropriate parking in this bay will continue.

### **Risk:**

The intention of this consultation is to comply with legislation and therefore avoid the risk of non-compliance.

### **Value for Money:**

Based on previous projects, the costs of implementation are estimated to be approximately £4,500, consisting of the following estimated costs: £3,150 consultancy (including consultation, reports and Traffic Regulation Order), £950 signs, and lining and £400 any ancillary works/contingency. The consultancy selected for this function have previously carried out consultations and design works for DBC and are familiar with the area. They are also one of the named contractors in the framework agreement for the provision of consultancy for traffic related operations and parking with Watford Borough Council which is available to Dacorum Borough Council. The cost will be met from the Parking Services 'consultancy budget' There will be on-going revenue costs for line and signs and enforcement.

### **Options Considered and reasons for rejection:**

Not to consult on the proposals, which would leave inappropriate parking issues unresolved.

### BACKGROUND

London Road has been adversely affected by displacement parking by commuters using Hemel Hempstead railway station following the introduction of the adjacent R-zone extension

Original proposals for restrictions in this area to be introduced in concert with the R-zone were shelved as the residents along this section of road did not receive the statutory consultation letter delivered to residents within the R--zone.

The consultation will gauge support for, or objection to the proposals.
