Dear Mr Hogger

Dacorum Core Strategy Examination

Further to the Participants Statement submitted in relation to Issue 6 by Savills on behalf of Grand Union Investments, it has come to our attention that there is a small error in the appendices. Paragraph 4.2.2 of the 'Housing Demand & Socio-Economic Assessment – Update' (September 2010) states that the shortfall is 612 dwellings. This is incorrect and should have been updated to reflect the figure in Table 4.2 which shows a shortfall of 883 dwellings between 2006 and 2012.

Please accept our apologies for any confusion caused.

Yours sincerely

Simon Elliott
