**Subject:** Dacorum's Community Infrastructure Levy - Consultation on Draft Charging Schedule

Markyate Parish Council have made the following comments regarding the above at the meeting held on 4 February 2014.

The concern raised is that Markyate is levied the same as Hemel Hempstead as property prices are similar, but it was felt Markyate should be grouped with other villages because the needs are similar. This could potentially invite developers to this village.

We thank you for giving us the opportunity to comment on this document and would appreciate an acknowledgement to our response.

Many thanks
